Narrative Report / June 22, 2026 – June 26, 2026

June 22, 2026

On this day, we submitted our report and pictures to the Agriculture Office. After that, we visited more farmers to ask about their crops and farms. We also updated our records.

June 23, 2026

On this day, we visited farmers in Barangay Sirang Lupa. One farmer told us he stopped farming because he was sick. We recorded his information and continued visiting other farmers.

June 24, 2026

On this day, we visited farmers in Purok 8, Tibagan. We asked about their farms and crops and wrote down their answers. We were not able to finish all the interviews, so we planned to return the next day.

June 25, 2026

On this day, we returned to Tibagan to finish interviewing the remaining farmers. We checked our notes to make sure all the information was correct and complete.

June 26, 2026

On this day, we visited the last farmers in our assigned area. We finished collecting information and organized our records. By the end of the day, we had almost completed our fieldwork.
