Academic Policies and Procedures

Policies and Procedures on INC (Incomplete Grade)

1. General Guidelines

a. An INC grade must be completed by the end of the following semester; otherwise, it will automatically convert to a failing grade (5.00).
b. Incomplete grades in subjects that are prerequisites to other subjects must be completed before enrolment of the latter subjects can be made.
c. Completed grades must be signed by the course instructor and program director, then submitted to the College Registrar before the completion deadline.

2. Procedures

a. Proceed to the Office of the College Registrar to get a Request Form.
b. Pay the Completion Form fee of P50.00 at the Cashier's Office.
c. Secure the Completion Form from the Office of the College Registrar.
d. Submit the requirement/s needed for the subject to the subject teacher.
e. Once satisfied, the teacher will sign the completion form and give the grade to the Office of the College Registrar with the sign of program Director.
f. Failure to submit the completion form on or before the completion period will result to automatically a grade of 5.00.

Policies and Procedures on Shifting/Program Changes

1. General Guidelines

a. Student who wishes to shift to another program must have at least finished one (one (1) full semester year in the College
b. He/she satisfies the requirements set for the intended program as approved by the Program Director
c. Students will not be allowed to shift to newly offered courses

2. Procedures

a. Accomplish/secure a Shifting Form from the Office of the College Registrar at least two weeks before the next semester's registration.
b. The student will be informed of additional requirements, which may include a qualifying exam administered by the department of the desired program.
c. Submit the completed Shifting Form to the College Registrar on time; failure to do so will invalidate the request
d. Scan the QR code on the Shifting Form for the final step.

Procedures for Returning AWOL students

a. Proceed to the Office of the College Registrar for Student Academic Record Evaluation.
b. Fill out and complete the Clearance for AWOL Student.
c. Have the Program Director fill out the recommendation portion in the Clearance for AWOL Student
d. Fill out the Pre-Registration Form via Google Form.

Policies and Procedures on Leave of Absence (LOA)

1. General Guidelines

a. Students who is not official enrolled must apply for LOA until two weeks after the beginning of classes of the semester he/she is applying for;
b. Students who are official enrolled must apply for LOA until one (1) week after the Mid-Term Examination of the semester he/she is applying for;
c. The validity of the LOA is for one (1) semester only. Reapplication of LOA must be accomplished if the Student will not enroll the following semester.
d. A student who failed to apply for LOA at the given schedules will be classified as **AWOL**.

2. Procedures

a. Secure a LOA Form to the Office of the College Registrar.
b. Accomplished LOA form from the Office of the College Registrar and have it signed by the concerned offices.
c. Fill out the Google Form via QR Code provided at the LOA Form after the Registrar's Staff verify your form.

Procedure for returning students who files LOA

a. Present duly accomplished returning clearance to the Program Director and secure study load.
b. Proceed to the Registrar's office for encoding and wait for you schedule in LMS.
c. Proceed to the Library for the issuance of Library Card.

Late Pre-Registration Policies and Procedures:

a. Students who miss the registration deadline, as per Memorandum No. 014 s. 2024, can still enroll but will not qualify for the internet allowance.
b. Late registrants must follow the regular enrollment process and submit a letter explaining their delay, signed by both their parents and the College President. They must also agree to probationary status.
c. Late enrollees may only register for courses with available slots. Adding new subjects after registration will not be allowed.

Policies and Procedures on Course Dropping

Procedure for Filing a Course Dropping:

a. Secure a dropping form from the Office of the College Registrar;
b. Fill out the Dropping form and have the subject teacher, and the Director (Dean) sign the form;
c. Return the accomplished dropping form to the Office of the College Registrar
d. Scan the QR Code provided on dropping form for final step.

As approved by the Board of Trustees on October 14, 2014,
students are only allowed to drop a maximum six (C) units of their study load per semester.
